

WIN WITH PREMIUM SEAFOOD FROM NORWAY

The Norwegian Seafood Council (NSC) offers retailers free resources and marketing materials to drive revenue with premium Seafood from Norway.

SEAFOOD
FROM
NORWAY

Participation benefits

Opportunities to support Norwegian salmon, cod/whitefish, steelhead trout, and shellfish (king crab, snow crab).

Support from NSC including staff training and retail demos.

Promotional assistance for Norwegian origin seafood species including digital, social, point of sale and advertising materials.

In 2022,
NSC retail
partners saw
+10% - 30% sales
increases during
promotional
periods.

NSC offers marketing and advertising resources for use in

- Online & in-store retail promotions
- Staff training
- Digital banners
- Supermarket geofencing
- Online and mobile display ads
- Educational material
- Social media
- Influencer partnerships
